

## Employee Assistance Program Identity Theft

**ID Theft and other related crimes can be devastating. Our program provides comprehensive legal, financial, and ID theft resolution services. You have one point of contact for all your ID theft resolution needs. Our services can save you thousands of dollars in legal expenses and countless hours of your valuable time.**

### **What It Does:**

The ID Theft Resolution program is an interactive advocacy service that provides education, guidance, counseling & legal and financial assistance to victims of fraud related crimes.

### **Our services include:**

- Fraud resolution counseling, deterrence, and education
- Assistance with notification to creditors and third parties of ID Theft
- Case file preparation
- Notice and letter preparation
- Assistance with ID theft affidavits and fraudulent account summaries
- Financial counseling
- Legal document preparation assistance
- Free legal consultations & discounts on legal services
- Mediation assistance
- And many other related services
