

## Employee Assistance Program Legal Services

### Information and Peace of Mind, Whenever the Need Arises.

In addition to 24-hours per day, 7-days per week access to assessment and referral services, your employer – through the First Choice Health Employee Assistance Program - offers the additional convenience of referral for Legal consultation.

- No-cost 30-minute consultation with a legal professional—by phone or in person.
- Referrals are available to local legal representatives.
- A preferred discount rate of 25% off normal hourly attorney fees.
- Immediate access to the expertise you need, when you need it.
- Available To You And Your Immediate Family Members.

### How Much Does This Service Cost?

Your employer provides this **free** service to you and your immediate family.
