

Employee Assistance Program Nurseline Services

Having the right kind of information can put your mind at ease.

The 24-Hour Nurse Helpline has compassionate, professional Nurse Counselors available to answer your health questions, 24 hours a day, seven days a week. Our nurses help patients answer basic health-related questions, discuss appropriate places to seek care, or let you know if an emergency exists. Our NurseLine consultants specialize in understanding and responding to your questions and concerns.

Help is just a call away

Through the NurseLine you have access to expertise and information about diseases, medications, medical tests, what to ask your doctor and many other health-related topics of importance.

Who can call?

This free and confidential service is available to you, your spouse or partner and eligible dependent children.

When can I call?

For your convenience, our phone lines are answered 24 hours a day.
