

Provider Bulletin

Control Number: PRB 09-09-01
Date: September 4th, 2009
Subject: Electronic (EDI) claim submission for Providence Health Plans
Author: Kendra Bunch, Manager Provider Relations
Effective Date: October 1st, 2009

Providence Health Plans (PHP) and the First Choice Health PPO Network (FCHN) will begin receiving EDI claims submitted on or after October 1st, 2009. The EDI processing will apply to all claims with a date of service on or after January 1st, 2009. **This change will be effective October 1st, 2009.**

For electronic (EDI) claims:

- Please submit claims using FCH submitter ID 91131 via Emdeon, RelayHealth, or SSI.

All non-EDI claims can be submitted to:

- First Choice Health Network
PO Box 2289
Seattle, WA 98111-2289

FCHN encourages all providers to submit claims electronically as this improves the claims processing turnaround time significantly. Claims sent to Providence Health Plans directly will be forwarded to FCHN for pricing. This could result in processing delays and/or slower claims payment.

PHP will issue new identification cards upon group renewal based on member enrollment.
