

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage call 1-888-889-1112. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-888-889-1112 to request a copy.

Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>Tier 1: MultiCare Connected Care Clinically Integrated Network (MCC CIN) providers: \$0</p> <p>Tier 2: First Choice Health Network/First Health Network (FCHN/FHN): \$1,500 person/\$4,500 family</p> <p>Tiers 3 & 4: Prov/Swed/VMFH/PacMed & out-of-network providers: \$2,000 person/\$6,000 family.</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p> <p>Higher member out of pocket for services received at Tier 3 First Choice Health Network Providence (Washington State), Swedish, Virginia Mason Franciscan Health (VMFH) and Pacific Medical Centers (PacMed) and Tier 4 out-of-network providers providers.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. In-network Preventive care services (Tiers 1-3) are covered and not subject to your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Tier 1 MultiCare Connected Care Clinically Integrated Network (MCC CIN): \$500 person/\$1,000 family applies to Emergency Room Services only.</p> <p>The Tier 1 MCC CIN ER deductible applies to Emergency services in all tiers.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>

Important Questions	Answers	Why This Matters:
<p>What is the out-of-pocket limit for this plan?</p>	<p>Tier 1: MCC CIN providers: \$3,100 person/ \$6,200 family.</p> <p>Tiers 2 - 4: First Choice Health Network/First Health Network (FCHN/FHN), Prov/Swed/VMFH/PacMed & out-of-network providers: \$6,500 person/ \$15,000 family.</p> <p>Separate Pharmacy out-of-pocket limit: \$1,500 person/ \$3,000 family</p>	<p>The out-of-pocket limits are the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. Higher member out-of-network providers for services received at Providence (Washington State), Swedish, Virginia Mason Franciscan Health (VMFH) and Pacific Medical Centers (PacMed).</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance-billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. Search the provider networks at www.fchn.com/multicare or call 888-889-1112 for a list of network providers.</p>	<p>This plan uses provider networks. You will pay the least if you use a provider in Tier 1. You will pay more if you use a provider in Tiers 2 and 3. You will pay the most if you use a Tier 4 out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. Tier 1 may not be able to offer all services required for your care. Each service you receive is paid based on the applicable network tier of the provider or facility.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
