Members on Choice Products

Want to get the most out of your Kaiser Permanente prescription coverage?
Have your medications filled with a Kaiser Permanente pharmacy.

Choice Members (on Dual Choice, PPO Plus, and Added Choice products) can have covered prescriptions filled at Kaiser Permanente pharmacies even if written by a non-Kaiser Permanente provider.

Save money

At Kaiser Permanente medical office pharmacies, you'll enjoy the lowest cost-sharing under your benefit. Kaiser Permanente uses the Surescripts platform, which allows providers to electronically submit your prescription to the Kaiser Permanente pharmacy of your choice. Ask your provider if they can send an e-script to the Kaiser Permanente Pharmacy of your choice. We also accept physical prescriptions written by your provider.

Mail-order pharmacy

With Kaiser Permanente pharmacies, you can have your medications delivered to your home. There is no additional cost for shipping, and most members save one copay on a 90-day supply. New and refill prescriptions qualify, and most arrive in 3-4 days.

Visit kp.org/pharmacy or download the Kaiser Permanente app¹ and sign in to manage your prescriptions.

¹ To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on kp.org.
